3. Select textbooks:

Choose from the new, used, eBook, rental, and Marketplace options available.

- For new and used books, your order qualifies for free economy shipping when the order is over $49.

- There are no shipping charges for eBooks. eBooks have a variety of terms, from 30 days to lifetime license. All terms that are available will display (i.e., not all eBooks offer lifetime licenses).

- If you order a rental, the shipping charges will be calculated during checkout. Rentals have set return dates which will be posted as you check out. Due date reminders will be emailed to you towards the end of the term.

- The Marketplace is where students and others buy and sell books from each other at discounted prices. Students can save an average of 60% off when selecting these books. Marketplace books ship directly from the third-party seller. *Note, Marketplace books have a different return policy and do not qualify for free shipping.

Once you select your textbook format, click the "Add to Cart" button.
