

## SPRING 2022 PRE-REGISTRATION FOR HISTORY DEPARTMENT

History and Social Studies majors as well as History minors have the opportunity to pre-register for two courses. Those needing a 400-level course, can pre-register for three. Keep in mind the following:

- **Students are responsible for ensuring they meet the pre-requisite** before submission; if they don't, they must ask the professor's permission for an override.
- Students taking their **first 300-level course, must enroll in History Lab.**
- **Seminars require instructor permission** which they must secure *before* submitting the form.

Forms are due **by 12:00 NOON ON FRIDAY, OCTOBER 22, 2021 via email to Penny Bogardus: [pbogardus@ithaca.edu](mailto:pbogardus@ithaca.edu)**. **Forms submitted after this date or time will not be processed.**

**Choose two courses in which you would like to preregister. A seminar can be a third selection.**
