Announcements

DIPLOMA DISTRIBUTION

An official diploma will be mailed to the address each student provided on their application for degree and will arrive approximately four weeks after graduation.

EVENT PHOTOGRAPHY

There will be professional photographers working to capture images of students individually on the stage. These photos will be available for sale to families within two to three days after the event. Your student will receive an email at that time with details. Photo proofs and additional information will also be mailed to each student's permanent address. Families may purchase photos but are not obligated to do so.

A limited number of candid photos of the ceremony will be available at no cost to families via the Commencement website (ithaca.edu/commencement) within two weeks after the event.

SOCIAL MEDIA

Use the hashtag #ICGrads on Instagram and Twitter to share your favorite photos from Commencement and congratulate our graduates.

FLAGS

The flags of various countries displayed in the Athletics and Events Center honor the international students who are today receiving degrees. Ithaca College is fortunate in the diversity of its community as it prepares students to become worldly citizens.

MEDALLION

Following a tradition begun in 1992, the college's centennial year, each graduate has received a medallion inscribed with a quotation chosen by the college's president. This year the quotation comes from the Rev. Dr. Martin Luther King Jr.: "Whatever affects one directly, affects all indirectly... I can never be what I ought to be until you are what you ought to be."

BALLOONS

At Commencement, students graduating from the theatre arts department tie purple and white balloons to their wrists to commemorate the lives of IC theatre community members who have passed away.

ANNOUNCER

Marc Webster, an associate professor of music performance, is the announcer.

MARSHALS FOR DEGREE CANDIDATES

At Ithaca College, the position of marshal for degree candidates is one of the highest honors bestowed on graduating seniors. These marshals are selected in February for the Commencement ceremony in May. The registrar prepares a list of eligible candidates based on the criteria below, and one student is selected by the dean of each school. Student marshals must be senior undergraduates who have earned at least 60 course credits at Ithaca College, maintain a current cumulative GPA of 3.50 or higher, and are expected to graduate in May (or December for performance/music education majors). Selected students are, with a few exceptions, the undergraduates who have maintained the highest GPA in their respective schools.

Academic Regalia

The gowns and hoods worn on solemn academic occasions perpetuate traditions as old as the world's oldest universities. While European institutions display great diversity in the design and color of academic regalia, their American counterparts adopted a code of regulations that makes it possible for the academic community to identify from the cut of the gown and the color of the hood the wearer's degree, the subject in which it was conferred, and the institution that granted it. In recent years many colleges and universities have departed from the traditional black and adopted official colors for their academic gowns. Thus, the blue gowns with gold chevrons worn by the president and trustees of Ithaca College display the official colors of this institution.

The cut of the gown identifies the degree. The bachelor's gown has pointed sleeves and is worn closed. The master's

gown has oblong-cut sleeves slit at the elbow and is worn open or closed. The doctor's gown, which is also worn open or closed, has bell-shaped sleeves, usually crossed with bands of velvet. The length of the hood also identifies the degree: 36 inches for a bachelor's, 42 inches for a master's, and 48 inches for a doctor's. The color of the hood's velvet binding identifies the wearer's specialized field of study. These colors include white for arts and letters, light brown for business, light blue for education, purple for law, lemon for library science, pink for music, sage green for physical education, blue for philosophy, gold for science, and red for theology.

The silk lining of the hood displays the color or colors of the institution awarding the degree. Earned and honorary degrees awarded by Ithaca College are shown by hoods lined in royal blue and crossed with gold chevrons.

Honor Cords and Stoles

HONOR CORDS

Commencement includes many traditions that have been passed down through generations. Among these traditions is the honor cord. The colors of the cords signify graduation honors based on high academic achievement. These honors, listed below, are associated with Latin phrases that indicate the level of distinction with which an academic degree is earned. Ithaca College confers three levels of Latin honors to undergraduates earning a bachelor's degree. The cumulative grade point average ranges for these honors are listed below. A minimum of 60 credits of coursework must be completed at Ithaca College to qualify for this recognition. The honors listed for the students in this program are based on their cumulative grade point average as calculated at the end of the previous fall term. Honors that appear on students' actual diplomas will be based on their final cumulative grade point average.

Blue and Gold Cord

Summa cum Laude (with highest honors) 3.900 and above

Gold Cord

Magna cum Laude (with great honors) 3.700–3.899

Blue Cord

Cum Laude (with honors) 3.500–3.699

FIRST-GENERATION HONOR CORDS

Here at Ithaca College, we value our first-generation student population. We define a first-generation student as one who is the first in their family to attend and graduate from a four-year residential college in the United States. These students at IC have gone the extra mile as leaders throughout campus and have accomplished remarkable things in and out of the classroom. Over 100 graduates today have navigated their college journeys as first-generation students. To celebrate this accomplishment, IC's First-Generation Center hosted a celebration in April where students received a black and gold honor cord for today's celebration. We wish all of our first-generation graduates well as they embark on their professional aspirations.

RAINBOW HONOR CORDS

Multicolored rainbow honor cords are worn by some of the LGBTQ and allied graduates at today's ceremony and by LGBTQ and allied students at colleges and universities throughout the world at commencement. Since 2003, IC students have received their cords and been celebrated at the annual rainbow reception, which highlights their achievements. The history of LGBTQ inclusion at Ithaca College would be impossible without the fearless and tireless efforts of its allies and supporters. The use of rainbow colors as a sign of diversity and inclusiveness is a long-standing tradition. The rainbow or pride flag was created by San Francisco artist Gilbert Baker in 1978. The colors symbolize diversity throughout LGBTQ communities and have individual significance: life (red), healing (orange), sunlight (yellow), nature (green), art/harmony (blue), and spirit (purple).

RED, WHITE, AND BLUE GRADUATION CORDS

A Commencement tradition at Ithaca College is the red, white, and blue graduation cord. Provided to graduating veterans in recognition of and gratitude for their service in protecting our country, these cords are a special honor for veterans as a symbol of their self-sacrifice and service.

KENTE STOLES

The Kente stole is a patterned, rich, and handwoven cloth that originates with Akan weavers in present-day Ghana. For royalty throughout West Africa, kente is a sacred cloth worn only in times of extreme importance. Similarly, it has been an Ithaca College tradition to present Kente stoles to students of color who are a part of specific programs on campus to recognize their Commencement. The symbol on the Kente stoles, Nea Onnim No Sua A, Ohu, is a West African Adinkra symbol for "knowledge" and "a lifelong quest for learning"

SENIOR CLASS GIFT CAMPAIGN

For nearly 40 years, graduates have left their legacy at Ithaca College by participating in one of the oldest traditions on South Hill, the Senior Class Gift Campaign. Each year, members of IC's graduating class join together in honor of their graduation to help support, enrich, and enhance the IC experience for current and future students. This year, the class donated to the IC Student Emergency Relief Fund, which benefits students on campus. The fund was established to provide financial assistance to students who have emergency financial needs. Through the Senior Class Gift Campaign, seniors continue the college's tradition of providing a foundation for a lifetime of learning that fosters intellect, creativity, and character in an active, student-centered learning community.

More information can be found about the fund at ithaca.edu/student-affairs-and-campus-life/supporting-financial-security.

Commencement Speaker

SHEILA KATZ '05

Named CEO of the National Council of Jewish Women (NCJW) in 2019, Sheila Katz leads an organization composed of more than 200,000 advocates who work to ensure that the rights of women, children, and families are protected, translated into public policy, and upheld in our courts.

Katz heads a network of 56 NCJW sections across the country and a national headquarters in Washington, D.C. Through meaningful education, direct service, and strategic advocacy, NCJW empowers Jewish women and allies to engage in work that impacts marginalized communities while centering the most impacted through partnerships and coalitions.

Katz was previously the vice president of student engagement and leadership at Hillel International, the largest

Jewish campus organization in the world. In her 12 years at Hillel, she founded programs to expand student participation in Jewish and civic life including Ask Big Questions, an award-winning national initiative to guide diverse students in meaningful conversations, and MitzVote, Hillel's unprecedented nonpartisan civic engagement campaign.

While earning her BA in politics from Ithaca College, Katz served as president of the Residence Hall Association and president of Hillel at Ithaca College. She was recognized with a Campus Life Award during her senior year, and in 2019 she was honored with the Humanitarian Alumni Award by the Ithaca College Alumni Association. Katz has been named as one of the top 10 faith influencers by Religion News Service, one of the 50 most influential Jews in the world by the *Jerusalem Post*, and a faith leader to watch by the Center for American Progress. She has an MS in teaching from Pace University. Katz sits on the Board of Governors of Tel Aviv University and on the board of Heart of a Nation.

Student Speaker

LETÍCIA NHELETE SILVA GUIBUNDA '22

In the spirit of inclusivity and of broadening the voices to be represented at this important celebration, all graduating seniors were invited to compete to be chosen by the Commencement Committee to represent the class of 2022 as the student speaker. Selected to deliver those remarks was Letícia Guibunda, an

international student from São Paulo, Brazil, who also calls Maryland home after living there for many years. She is graduating from IC's School of Humanities and Sciences with a major in Spanish and a self-designed minor in biological research and applied sciences.

As the vice president of campus affairs for the Student

Governance Council (SGC), Guibunda represented the student body on the Presidential Search Committee. She initially was elected to the SGC as an international student senator. She has worked on campus as a student leadership consultant in the Office of Student Engagement; a researcher in the H&S Summer Scholar program; director of marketing and public relations, historian, and treasurer for the IC African Students Association; and treasurer for the IC International Club.

Among other honors, Guibunda received an award at the James J. Whalen Academic Symposium and other conferences for her biology research. She was also recognized in 2021 with the Anne Siegel '81 Memorial Scholarship for involvement in the extracurricular life of the college and the John P.E. Brown '35 Scholarship for her volunteer community service.

Honorary Degree Recipients

AMY GOODMAN

Amy Goodman founded *Democracy Now!* in 1996 after serving for more than a decade as news director of radio station WBAI in New York City. As host and executive producer, she brings the progressive daily news program to over 1,400 public television and radio stations worldwide.

Goodman has coauthored six New York Times bestsellers, with her latest, *Democracy Now!: Twenty Years Covering the Movements Changing America*, looking back over the past two decades of the show and the powerful movements and charismatic leaders who are reshaping our world.

In 2009, Goodman was an inaugural winner of the Izzy

Award, presented by the Park Center for Independent Media at Ithaca College. She was later inducted into the center's I. F. Stone Hall of Fame, open to journalists who regularly produce groundbreaking stories on the most important issues of the day, especially stories ignored or downplayed in mainstream news media.

Goodman has also been honored with the I. F. Stone Medal for Journalistic Independence Lifetime Achievement Award from the Nieman Foundation for Journalism at Harvard University and is the first journalist to receive the Right Livelihood Award, widely known as the "alternative Nobel Prize." Her reporting on East Timor and Nigeria won numerous awards, including the George Polk Award, Robert F. Kennedy Prize for International Reporting, and Alfred I. duPont-Columbia Award.

Honorary Degree Recipients

JEFF WHITE '98

A cinema and photography graduate of Ithaca College's Roy H. Park School of Communications, Jeff White is visual effects supervisor and creative director for the Vancouver studio of Industrial Light and Magic (ILM), the motion picture visual effects company founded by George Lucas.

In 2018, the Academy of Motion Picture Arts and Sciences honored White with a Technical Achievement Award for his original design of ILM's procedural rigging system, Block Party.

White joined ILM in 2002 as a creature technical director, working on such films as *Star Wars: Episode III—*

Revenge of the Sith and *War of the Worlds*. He has subsequently supervised visual effects for some of Hollywood's biggest blockbusters, including *The Avengers* and *Kong: Skull Island*—receiving Oscar nominations for each—as well as films in the *Transformers* franchise. On the smaller screen, he has served as visual effects supervisor for episodes of Amazon Prime's *The Underground Railroad*, Netflix's *The Witcher*, and *WandaVision* on Disney+.

While a student at IC, White participated in the Connectivity Club and volunteered for a project in a local rural school district, teaching middle school students how to use computers and do PowerPoint presentations.

Presidential Medal Recipients

First awarded in 2019, the Ithaca College Presidential Medal was created as a way to honor an individual or a group whose significant contributions better our Ithaca College community and better our world. The recipient must capture the spirit of Ithaca College by demonstrating a deep dedication to the importance of intellectual growth; a commitment to the evolution of character, identity, and spirit; and a strong sense of service and sustainability that is greater than oneself.

The Ithaca College Presidential Medal is a replica of the medallion given to graduating IC students at Commencement to commemorate and forever connect to this celebratory occasion and this tremendous honor.

BONNIE PRUNTY

Bonnie Prunty came to Ithaca College in 1988 after earning her master's degree in student personnel services from Indiana University of Pennsylvania. Starting as a residence director, she served in a series of increasingly responsible positions in the Office of Residential Life over the next three decades, including as director of

residential life and judicial affairs beginning in 2001.

In June 2018, Prunty was named dean of students, overseeing the Offices of Residential Life, Student Conduct and Community Standards, Case Management, and New

Student and Transition Programs, along with the Center for Counseling, Health, and Wellness. The college recently announced that as of June 27 she will be assuming the position of vice president for student affairs and campus life through 2024. A sampling of her institutional service includes the IC 20/20 Advisory Committee, Enterprise Risk Management Committee, Residential Models Task Force, and First-Year Experience Coordinating Committee. Her professional affiliations include serving on the executive board of the Association for College and University Housing Officers—International.

DAVE PRUNTY

David Prunty joined Ithaca College in 1987 as a residence coordinator after earning his MA degree in higher education administration from Indiana University of Pennsylvania. He held a variety of leadership roles in the Office of Residential Life before being named conference and event services director.

Since 2015 he has served as executive director of auxiliary services, responsible for supervising offices including the Campus Center, Conference and Event Services, ID Operations, the Campus Store, General Services (Print Production, Mail Services, and the Warehouse), and Dining Services.

Prunty has been responsible for multiple campus-wide initiatives, including serving on the leadership teams for Convocation, Commencement, the Ithaca College 125th Anniversary Celebration, and many other large events. Since 2009 he has taught in the Roy H. Park School of Communications as a lecturer in the live event design and management minor. He has represented the college on the boards of a number of local organizations, including the Downtown Ithaca Alliance, Ithaca Tompkins International Airport, and Leadership Tompkins.

Park Scholars

The Park Scholar Program is a scholarship program for outstanding students in the Roy H. Park School of Communications. Through a combination of academic and service programming, scholars are challenged to take action and give back to their communities, and to use the power of mass communication to make a positive impact on the world.

Park Scholar Awards cover the full cost of attendance at Ithaca College. Park scholars must maintain a 3.50 grade point average and engage in community service and Park scholar activities. Park scholars can be recognized by purple and white honor cords.

BOLD Scholars

The BOLD Women's Leadership Network is an innovative leadership initiative across six institutions of higher education that have demonstrated their commitment to collaboration, innovation, diversity, and inclusion: Ithaca College, University of Connecticut, Colby Sawyer College, College of St. Rose, Middlebury College, and Rutgers University–Newark.

The BOLD Scholar Program is committed to supporting young women and female identified students from all backgrounds, and especially those who have been historically underrepresented in higher education. They exhibit exceptional leadership abilities, strong critical thinking skills,

and passion for social equity. BOLD scholars participate in a structured curriculum, community building retreats, and the implementation of a campus transformation project. This *fourth cohort* of BOLD scholars at Ithaca College includes the following students:

Cyerra Isis Adams
Seidy Elisabeth Bobadilla

Ithaca Forever

MUSIC Philip J. Lang '33

LYRICS Alicia Carpenter

Ithaca, forever shine your light on me;
In my heart together we shall always be.
And here's to Ithaca, my Ithaca, how beautiful you are:
Your towers high upon South Hill reach from stone to star.

Ithaca, forever I'll recall a smile,
Clasp a hand in friendship, walk a snowy mile.
And here's to Ithaca, my Ithaca—alma mater true;
Although I leave Cayuga's shore, I'll remember you.

Ithaca, forever guide us on our way;
Like a shining beacon light our night and day.
And here's to Ithaca, my Ithaca, how bright your vision seems;
May all your sons and daughters dare to live their dreams.

Today's Commencement is dedicated to the memories of Abby Paquet and Kelly Perkins, two IC students whose lives were tragically cut short.
