Announcements

DIPLOMA DISTRIBUTION

An official diploma will be mailed to the address each student provided on their application for degree and will arrive approximately four weeks after graduation.

EVENT PHOTOGRAPHY

There will be professional photographers working to capture images of students individually on the stage. These photos will be available for sale to families within two to three days after the event. Your student will receive an email at that time with details. Photo proofs and additional information will also be mailed to each student's permanent address. Families may purchase photos but are not obligated to do so.

A limited number of candid photos of the ceremony will be available at no cost to families via the Commencement website (ithaca.edu/commencement) within two weeks after the event.

SOCIAL MEDIA

Use the hashtag #ICGrads on Instagram and Twitter to share your favorite photos from Commencement and congratulate our graduates.

FLAGS

The flags of various countries displayed in the Athletics and Events Center honor the international students who are today receiving degrees. Ithaca College is fortunate in the diversity of its community as it prepares students to become worldly citizens.

MEDALLION

Following a tradition begun in 1992, the college's centennial year, each graduate has received a medallion inscribed with a quotation chosen by the college's president. This year the quotation comes from Coretta Scott King: "The greatness of a community is most accurately measured by the compassionate actions of its members."

BALLOONS

At Commencement, students graduating from the theatre arts program tie purple and white balloons to their wrists to commemorate the lives of IC theatre community members who have passed away.

ANNOUNCER

Jeremy Menard, television and radio operations manager, is the announcer.

MARSHALS FOR DEGREE CANDIDATES

At Ithaca College, the position of marshal for degree candidates is one of the highest honors bestowed on graduating seniors. These marshals are selected in February for the Commencement ceremony in May. The registrar prepares a list of eligible candidates based on the criteria below, and one student is selected by the dean of each school. Student marshals must be senior undergraduates who have earned at least 60 course credits at Ithaca College, maintain a current cumulative GPA of 3.50 or higher, and are expected to graduate in May (or December for performance/music education majors). Selected students are, with a few exceptions, the undergraduates who have maintained the highest GPA in their respective schools.

Academic Regalia

The gowns and hoods worn on solemn academic occasions perpetuate traditions as old as the world's oldest universities. While European institutions display great diversity in the design and color of academic regalia, their American counterparts adopted a code of regulations that makes it possible for the academic community to identify from the cut of the gown and the color of the hood the wearer's degree, the subject in which it was conferred, and the institution that granted it. In recent years many colleges and universities have departed from the traditional black and adopted official colors for their academic gowns. Thus, the blue gowns with gold chevrons worn by the president and trustees of Ithaca College display the official colors of this institution.

The cut of the gown identifies the degree. The bachelor's gown has pointed sleeves and is worn closed. The master's gown has oblong-cut sleeves slit at the elbow and is worn open or closed. The doctor's gown, which is also worn open or closed, has bell-shaped sleeves, usually crossed with bands of velvet. The length of the hood also identifies the degree: 36 inches for a bachelor's, 42 inches for a master's, and 48 inches for a doctor's.

Earned and honorary degrees awarded by Ithaca College are shown by hoods lined in royal blue and crossed with gold chevrons.

Honor Cords and Stoles

HONOR CORDS

Commencement includes many traditions that have been passed down through generations. Among these traditions is the honor cord. The colors of the cords signify graduation honors based on high academic achievement. These honors, listed below, are associated with Latin phrases that indicate the level of distinction with which an academic degree is earned. Ithaca College confers three levels of Latin honors to undergraduates earning a bachelor's degree. The cumulative grade point average ranges for these honors are listed below. A minimum of 60 credits of coursework must be completed at Ithaca College to qualify for this recognition. The honors listed for the students in this program are based on their cumulative grade point average as calculated at the end of the previous fall term. Honors that appear on students' actual diplomas will be based on their final cumulative grade point average.

Blue and Gold Cord

Summa cum Laude (with highest honors) 3.900 and above

Gold Cord

Magna cum Laude (with great honors) 3.700–3.899

Blue Cord

Cum Laude (with honors) 3.500–3.699

FIRST-GENERATION HONOR CORDS

Here at Ithaca College, we value our first-generation student population. We define a first-generation student as one who is the first in their family to attend and graduate from a four-year residential college in the United States. These students at IC have gone the extra mile as leaders throughout campus and have accomplished remarkable things in and out of the classroom. Over 100 graduates today have navigated their college journeys as first-generation students. To celebrate this accomplishment, IC's First-Generation Center hosted a celebration in April where students received a black and gold honor cord for today's celebration. We wish all of our first-generation graduates well as they embark on their professional aspirations.

RAINBOW HONOR CORDS

Multicolored rainbow honor cords are worn by some of the LGBTQ and allied graduates at today's ceremony and by LGBTQ and allied students at colleges and universities throughout the world at commencement. Since 2003, IC students have received their cords and been celebrated at the annual rainbow reception, which highlights their achievements. The history of LGBTQ inclusion at Ithaca College would be impossible without the fearless and tireless efforts of its allies and supporters. The use of rainbow colors as a sign of diversity and inclusiveness is a long-standing tradition. The rainbow or pride flag was created by San Francisco artist Gilbert Baker in 1978. The colors symbolize diversity throughout LGBTQ communities and have individual significance: life (red), healing (orange), sunlight (yellow), nature (green), art/harmony (blue), and spirit (purple).

VETERAN STOLES

A Commencement tradition at Ithaca College is the veteran stole. The stoles, which are provided to students who have self-identified as veterans of the U.S. Armed Forces, display each student's chosen branch of military service. These stoles are in recognition of and gratitude for their service in protecting our country and are a special honor for veterans as a symbol of their self-sacrifice and service. We thank all veterans for their service.

KENTE STOLES

The Kente stole is a patterned, rich, and handwoven cloth that originates with Akan weavers in present-day Ghana. For royalty throughout West Africa, kente is a sacred cloth worn only in times of extreme importance. Similarly, it has been an Ithaca College tradition to present Kente stoles to students of color who are a part of specific programs on campus to recognize their Commencement. The symbol on the Kente stoles, Nea Onnim No Sua A, Ohu, is a West African Adinkra symbol for "knowledge" and "a lifelong quest for learning."

Commencement Speaker

Larry Hirschhorn '80

Larry Hirschhorn earned his BFA degree in acting from Ithaca College and began his professional career on stage but switched to producing after getting his master's degree from New York

University in educational theatre. He was

the founder and artistic director of Melting Pot Theatre Company, which first brought *Miss Evers' Boys*, *Woody Sez*, and *Cobb* to New York City. He has since gone on to produce some of the most awarded plays and musicals on Broadway, Off-Broadway, on national tours, and in London.

Among Hirschhorn's credits are *Vanya and Sonia and Masha and Spike*, with Sigourney Weaver and David Hyde Pierce; *The Elephant Man*, with Bradley Cooper; *The Addams Family*, with Nathan Lane and Bebe Neuwirth; and *Driving Miss Daisy*, with James Earl Jones and Vanessa Redgrave.

Currently he is on the producing teams of *Hadestown*, which won the 2019 Tony Award for Best Musical; and the revival of *The Sign in Sidney Brustein's Window*, starring Oscar Isaac and Rachel Brosnahan. His two productions currently in development include musical stage versions of the films *Benny & Joon* and *The Flamingo Kid*. Additionally, he is the producer of the animated short film *A Cow in the Sky*, featuring rap artist Aminé, which will have its world premiere at the Tribeca Film Festival in June.

Hirschhorn has stayed actively involved with Ithaca College's theatre program throughout his career. He cochaired the fundraising drive for the 2009 renovation of Dillingham Center for the Performing Arts, where he also established a theatre library; regularly participates in field studies week in New York City, where IC students meet with theatre alumni; and endowed an annual scholarship for theatre majors. He was honored by the Ithaca College Alumni Association in 2016 with the Professional Achievement Award.

Student Speaker

Francesca Infante-Meehan '23

In the spirit of inclusivity and of broadening the voices to be represented at this important celebration, all undergraduate seniors were invited to compete to be chosen by the Student Speaker Selection Committee to

represent the class of 2023. Selected to deliver those remarks was Francesca Infante-Meehan '23, a double major in theatre arts management and business administration with a concentration in marketing.

In addition to her work in the classroom, Infante-Meehan has served as the marketing manager for IC's Center for Theatre and Dance, student assistant with the marketing and creative group in the Division of Marketing and Enrollment Strategy, director of communications for the class of 2023, and GREEN tour leader for the Jumpstart program.

In the local community, Infante-Meehan has worked with the Cherry Artspace as a production associate and with the activist nonprofit Civic Ensemble as the digital media and marketing intern for the production *Streets Like This*, where she worked with the homeless population in Ithaca to help create a show based on their firsthand experiences in the streets.

Infante-Meehan spent the spring semester of her junior year at the Ithaca College London Center. She received the Shirley Hockett Presidential Scholar Award from the Phi Kappa Phi honor society and was inducted into the Beta Gamma Sigma business honor society. After interning at JPMorgan Chase last summer in the Securities Services Leadership Program, she will be returning to the company to work as a full-time analyst after graduation.

Honorary Degree Recipient

Loki Mulholland '22

A civil rights activist in the mold of his celebrated mother, Joan Trumpauer Mulholland, Loki Mulholland told her story in the illustrated children's book *She Stood for Freedom*—which was nominated for the 2017 Amelia Bloomer Award—and

film *An Ordinary Hero*, which appeared on PBS. His other notable, award-winning documentaries include *After Selma* and *The Evers* on Showtime, and *The Uncomfortable Truth* on Amazon Prime, which dives into the 400-year history of institutional racism in America.

Mulholland founded and serves as executive director of the Joan Trumpauer Mulholland Foundation, which takes a

multifaceted approach to educating people in antiracism, and he regularly speaks around the country on issues of race and social justice. He joined his mother for a Day of Learning series event at Ithaca College last fall, advising students about how they can have an impact on issues of injustice.

Mulholland studied cinema and photography in the Roy H. Park School of Communications and would have graduated from IC in 1994 had he not gotten stuck in Russia for a short time after studying and working abroad, consequently missing his final year. Following his campus visit last fall, administrators in the Park School determined from his transcripts, his business degree from the University of Phoenix, and credit for his professional film work that he had ultimately qualified for his undergraduate degree, which he was awarded in December 2022.

Presidential Medal Recipient

First awarded in 2019, the Ithaca College Presidential Medal was created as a way to honor an individual or a group whose significant contributions better our Ithaca College community and better our world. The recipient must capture the spirit of Ithaca College by demonstrating a deep dedication to the importance of intellectual growth; a commitment to the evolution of character, identity, and spirit; and a strong sense of service and sustainability that is greater than oneself.

The Ithaca College Presidential Medal is a replica of the medallion given to graduating IC students at Commencement to commemorate and forever connect to this celebratory occasion and this tremendous honor.

Linda Petrosino '77, MS '78

A holder of both undergraduate and graduate degrees in speech-language pathology from Ithaca College, Linda Petrosino '77, MS '78, has provided tremendous service to Ithaca College over the past 11 years.

She had a distinguished career as a teacher, researcher, and administrator in the College of Health and Human Services at Bowling Green State University before returning to her alma mater in 2012 as dean of the School of Health Sciences and Human Performance and professor of speech-language pathology.

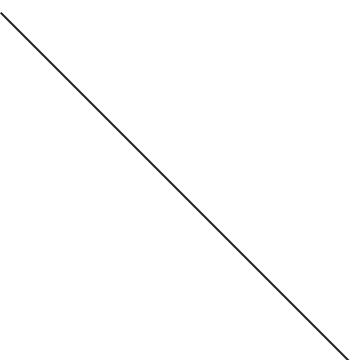

As dean, Petrosino prioritized the infusion of interprofessional education and practice throughout the school's programs and student experiences; conducted a strategic realignment of academic programs, with an emphasis on future sustainability; and focused on diversity, equity, inclusion, and belonging in practice, programs, and curricular enhancements.

Among her many significant accomplishments, Petrosino consolidated the physical therapy program onto the IC campus and facilitated development of a doctoral degree

program in occupational therapy, master's degree programs in physician assistant studies and athletic training, a fully online part-time graduate program in speech-language pathology, and a 3+4 articulation agreement with the Binghamton University School of Pharmacy and Pharmaceutical Sciences. She also developed and implemented the school strategic plan; led the renovation of key facilities including the additions of human cadaver anatomy, motion analysis, Bio Safety 2, and patient simulation labs; and provided oversight of program reviews, including for 10 different accrediting bodies.

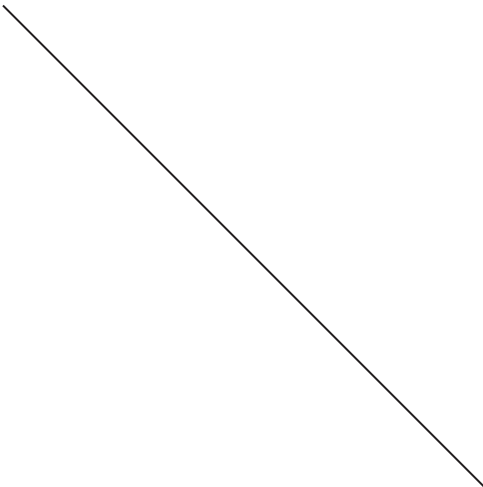

In 2014–15 and then again in 2016–18, she stepped in to serve the college as interim provost and vice president for educational affairs, during which times she facilitated two presidential transitions and Middle States reaccreditation, cochaired the Institutional Effectiveness Budget Committee, worked with the facilities master plan, and finalized the IC 20/20 strategic plan.

Petrosino's institutional service has also included membership on search committees for a variety of academic and administrative leadership positions, cochairing the Council on Diversity and Inclusion and the Campus Climate Survey, and serving on the Shared Governance Task Force, IC 20/20 Advisory Council, and Longview/IC Planning Committee.

Congratulations graduates!

Ithaca Forever

Ithaca, forever shine your light on me.
In my heart together we shall always be.
And here's to Ithaca, my Ithaca, how beautiful you are.
Your towers high upon South Hill reach from stone to star.
Ithaca, forever I'll recall a smile,
Clasp a hand in friendship, walk a snowy mile.
And here's to Ithaca, my Ithaca—alma mater true.
Although I leave Cayuga's shore, I'll remember you.
Ithaca, forever guide us on our way.
Like a shining beacon light our night and day.
And here's to Ithaca, my Ithaca, how bright your vision seems.
May all your sons and daughters dare to live their dreams.
